

Mosaic Art Workshop

Want to make a unique gift, or want a different way to express your creativity. Mosaics can be simple. Mosaic is an ideal art form for children because of its simplicity to create and its vast array of design and material options. Mosaics have been around for at least 4,000 years, according to The Joy of Shards website, and was first evidenced in designs on pavement using pebbles. Mosaic evolved from pavement patterns to elaborate and highly embellished art on walls, ceilings and other objects. Come try your hands at making your very own mosaic art.
